

BSides Berlin 2024

Sponsorship Packages

www.bsides.berlin – contact@bsides.berlin

Community-driven information security conference

BSides Berlin is an annual event for and by information security community members, a part of BSides community*.

The goal is to expand the spectrum of conversation beyond the traditional confines of space and time. It creates opportunities for individuals to both present and participate in an intimate atmosphere that encourages collaboration.

It is an intense event with discussions, demos, and interaction from participants.

It is where conversations for the next-big-thing are happening.
